It's very hard to say,
Why God had to take him,
And leave us all to pray.
He was a very friendly guy,
Who could turn a grey sky blue,
And the only thing that we can say,
Is Bill that we love you.
We will always think of you,
And remember all the fun,
It's a shame God had to take you,
When your life had just begun.
You left so many friends behind,
So we'll carry on and fight,
To keep you in our memories,
That come with morning light.
I hope you'll hear our friendly prayers,
So you will know we care.
You'll be kept alive within our minds,
Forever in this time.

Lehman Retires

After a quarter century of devoted work, Mr. Charles Lehman will be retiring from his position as superintendent of the York Suburban School District in June. Beginning his career in the Carlisle Area School District, Mr. Lehman has been involved in education for about thirty-seven years. After teaching at the Carlisle Senior High School from 1946 to 1950, he became the assistant principal at Carlisle for five years. From 1955 to December, 1957, he was the principal at the Carlisle Junior High School, and in January of 1958, he came to York Suburban to prepare for the high school's opening. He served as principal here from September 1958 until November, 1960, when he was asked to take the position of superintendent. Mr. Lehman considers his greatest challenge to be the designing of an effective curriculum that will meet the students' needs in the future, in college, and at work. According to Mr. Lehman, the reduction of class size, and the employment of an outstanding staff, enabling students to receive a very fine education, are among his greatest accom plishments.

Mr. Lehman presents Dick May with a plaque commemorating the dedication of the football field.

Always supportive of Suburban's athletic programs, Mr. Lehman enjoys a football game.

Mr. Lehman constantly made an effort to communicate with the students. Here he presents a writing award to Martha Ellis.

Team Looks to Future

Although the Boys' Track Team finished the 1982 season with a loosing record, there were some bright spots in the season. The relay teams turned in outstanding performances, while Scott and Craig Johnson displayed consistent talent in the distances. With a small loss of seniors and a large gain of junior high members, this season should prove to be a very successful one.

Runners Build Confidence

The 1982 Girls' Track Team produced many exciting individual performances such as the ones given by Monika Heinrich in the shotput and discus, and Elizabeth Bupp in the 100. Sue Fitzgerald demonstrated superior ability in running the mile. Although the team did not fare well in the rankings this past season, this year should be an improvement. The loss of seniors was not great, and there will be new talent from the junior high. The coaches, Mr. Schmidt and Mr. Goyt, are looking forward to the coming season with optimism.

Team Spirit Shines

Although the girls' volleyball team of 1981 was generally young, the teamwork and determination the girls displayed was outstanding. The three seniors were Cheryl Lewis, Robin Barton, and Janet Bahr. They will definitely be missed, but the young members prove to be promising. The coaches, Mrs. Sullivan and Mrs. Adams, were pleased with the attitude of the team.

The most outstanding games of the season were against West York and Dover. Against West York, the team displayed their best defense and team effort. At Dover, they tried the challenging technique of multiple offense and it worked well. It will be used to a greater extent in the future.

All in all, the year was fantastic and the volleyball team came out shining, at least in their attitudes.

What's Your Racket?

The 1982 Boys' Tennis team, led by Jamie Rubenstein and Ed Martin, finished the season with a 9-1 record. Their only loss was to Dallastown. Seven lettermen returned to the team, including seniors Chris Reichow and John Schmidt. A future star to watch for is Bob Lyons. Coach Zarfoss feels that Dallastown will be a real threat in the near future, but there is great hope for 1983.

Trojans Experience the Thrill of Victory

The underdogs. That's what the 1982-83 Trojan varsity football team was called. But the team proved them all wrong. Losing only to York Catholic, Suburban greeded the District III playoffs with title of Division I champions. Unfortunately, they lost the championship to Lancaster Catholic by only one point.

The Trojans experienced an overall exciting season with many thrilling victories, including York High, Spring Grove, and Manheim Central. Coach McCoy stated, "The team was working together, progressing from week to week, the players were making big plays in some games. They were cutting down on mistakes and playing good hard-core ball."

"For us to go as far as we went, our offense was good, our defense was good, our kicking was good — all those came together and we had a good team," McCoy said in reference to the offense and the defense.

Running back Ken Scalet said, "The reason we went as far as we did was the underclassmen. They really carried us." End Mark Lumpkin stated, "We had the *desire* to win."

As for the next year's team, McCoy said, "We will lose a lot of excellent players from this year's team. However, we will have some good lettermen left and back for next year, and we may also get some players from our Jr. High team."

Soccer Shines at Suburban

The varsity soccer team, coached by Mr. Jeff Lau, finished the 1982 season with a six and eight record. Coach Lau was assisted by Coach Bob Schwartz. This is the first year the trojans have had a junior varsity and varsity soccer team. Last year, soccer was only an intramural sport. Coach Lau said he liked the team's attitude, their desire, and that they played excellent this year. Coach Schartz said he liked the competition and challenge of the game. This year there were thirty-three members out for the team. Nineteen members lettered. There were twelve seniors on the team that played. Four out of the thirty-three members were girls. The starters for the team were Mike Schwartz, Eric Kleynen, Mike Stotsky, Bill Mann, Ed Shytle, Chico Leite, Dave McEwan, Eric O'Brian, Scott Kleynen, Greg Doshna, and Craig Reynolds. This year's team captains were Dan Stover, Erik Kleynen, David Freed, and honorary, Chico Leite.

Glitz Wins District's Singles

This year's Girls' Tennis Team finished its season with an over-all record of 6-4. Mrs. Zarfos, the coach, was very pleased with the performance. She said, "the team effort was great." There were twenty-four players on the '82 team, with Laura Glitz the top competitor. Laura won the YCIAA and District III Championships before losing in the State quarterfinals to the player who finished second. Laura, only a sophomore, has two more years at Suburban, and Mrs. Zarfos feels that next year's team could be number one.

Team Concept Stressed

This year's cross country team, coached by Mr. Larry Ludwig, began their practice during summer vacation. From June through August, they did 500 miles of easy running. Then in August they began pace work, each according to his ability. When school began, practices were held after school for approximately 15 hours a week with an additional 8 miles on weekends. There were 2 meets each week, and the Trojans finished the season with a 10 and 2 record, putting them in 3rd place for the year. The outstanding performer was Scott Johnson, who finished third at Districts, thereby qualifying for States. Coach Ludwig, however, "stresses the team concept" rather than individual performance. Next year should be a very promising one for the Trojan Harriers.

Mark Meisenhelter and the rest of the Trojan team work hard to be the successful team they are.

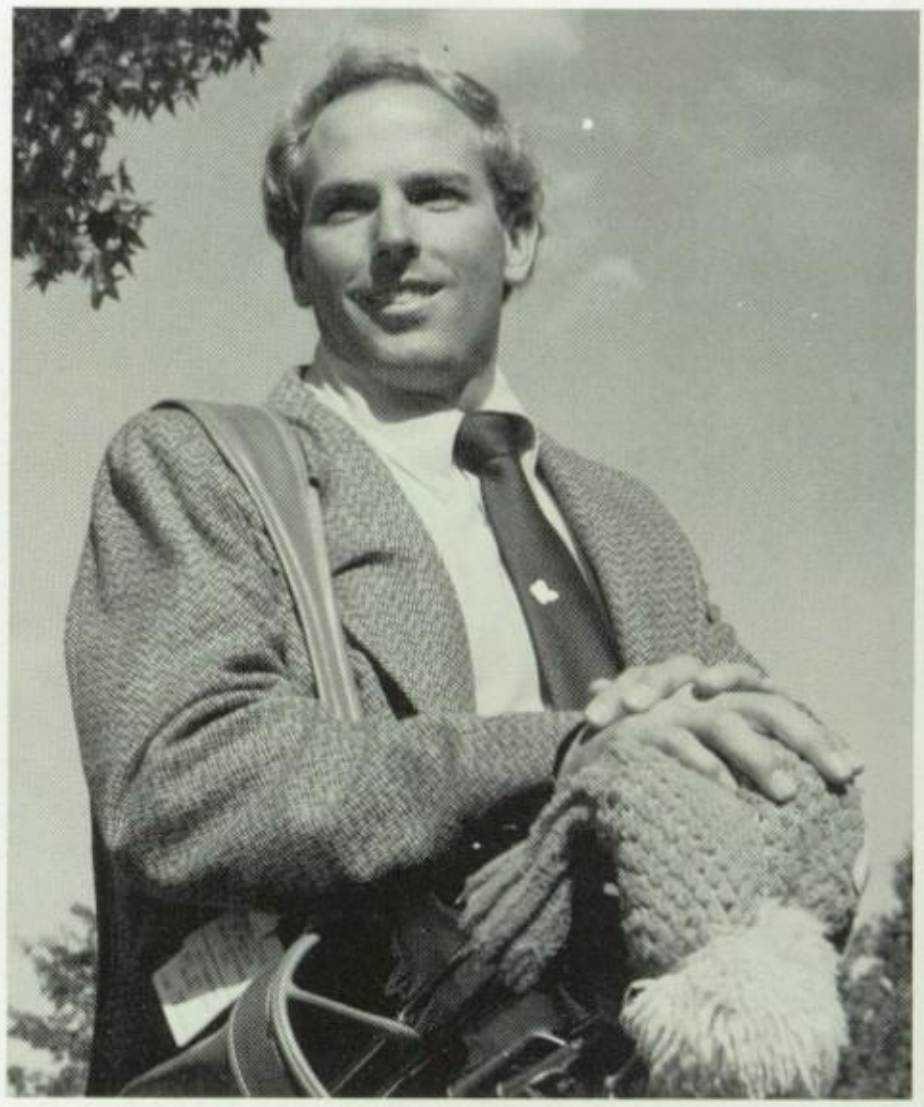
Optimism Runs High

This year's golf team, under the direction of Coach Flinchbaugh, consisted of eleven members all of whom returned from last year. The two seniors were Don Bailey and Doug Countess. The starters were Don Bailey, Cary Walton, Mark Bailey, Jeff Ginter, Mike Cartwright, and Steve Schlager. Don Bailey and Cary Walton qualified for Districts. The team finished the season with three wins and nine losses, with the toughest opposing team being Eastern. With most of the team returning next year, optimism runs high for a successful season.



Coach Flinchbaugh seems happy with his team's performance.

Field Hockey Drive on the Upswing

The Girls' Field Hockey team worked under the guidance of their coach, Mrs. Platt, and her assistant coach, Mrs. Wilke. The coaches worked with the returning players to teach them the new rules assigned to the game and also taught the batch of new players. The co-captains, seniors Kathy Henry and Lisa Hulshart, were a great influence on the whole team. Also their skill in the game was an inspiration to all the players. The whole team will miss the graduating seniors Kathy Henry, Lisa Hulshart, Marcia Hutcheson, Kim Jackson, and Barb Zurenko.

Trojan Spirit Shines Through

The 1982-83 boys' varsity basketball season was designated a success. From the initial victory at the home-hosted Tip-Off Tournament through the final league game, the Trojan spirit shone through. The starting line-up consisted of seniors Mike Erdos, Chris Crovotto, Keith Johnson, Scott Hotham, John DiPietro and sophomore Mike Donahue. One of the highlights of the year was when Mike Erdos scored his thousandth career point in one of the year's final games. He was the second player in the team's twenty-four year history to achieve this goal. Mike attributed a lot of the team's success to cooperation, and said, "Since there was friendship throughout the team, we worked well together."

Team Has Sensational Season

The girls' varsity basketball season this year was an exciting one. After posting a 20-2 season, the girls became Division-Three Champs. With this title to their name, the team advanced to the YCIAA county championship against Spring Grove. In a suspenseful effort to win, the girls lost 40-48.

The team's starting line-up consisted of seniors Lisa Hulshart, Melissa Steward, Monika Heinrich, sophomore, Melinda Steward and freshman, Chris Preston. Monika Heinrich was the high-scorer along with freshman sensation Chris Preston. High points of the year included victories over long time Suburban rivals, York Catholic and Red Lion.

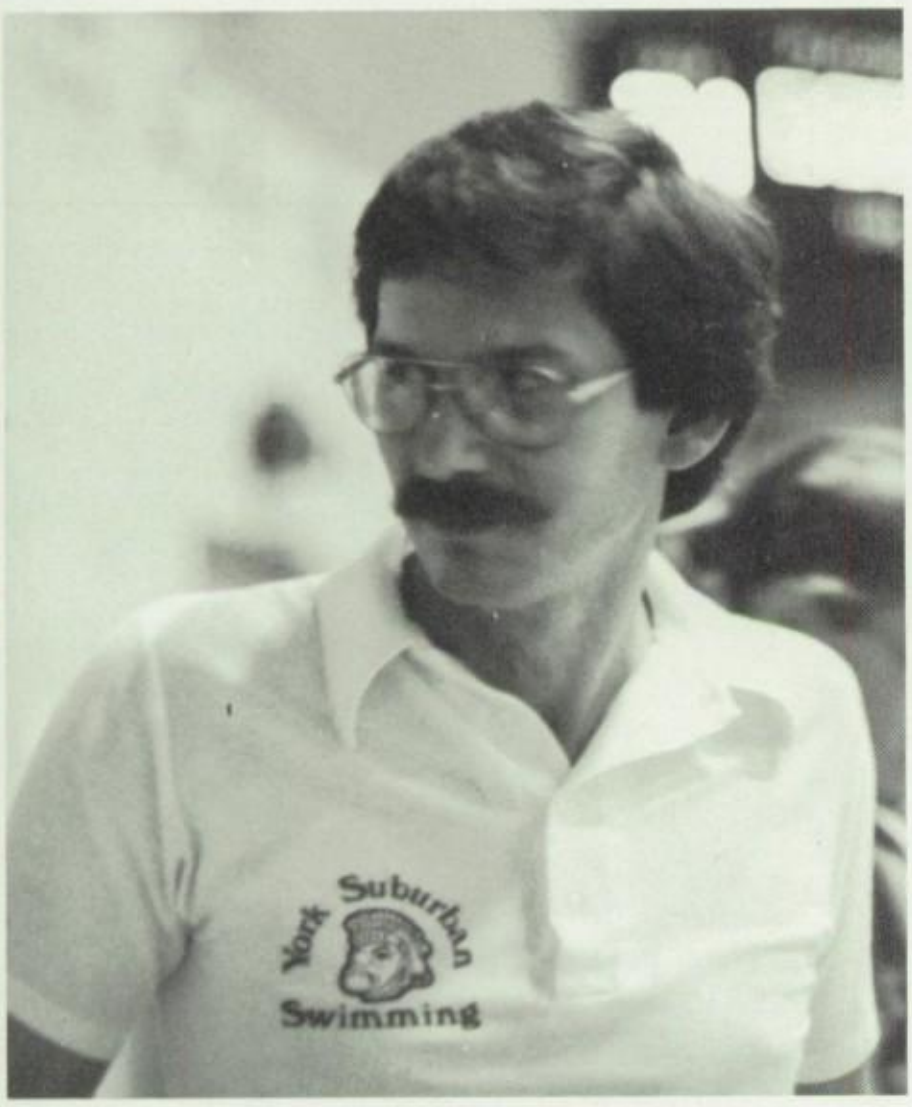
Teams Show Spirit and Dedication



Coach Guyer contemplates a last-minute change in the line-up.

By taking individual personalities and molding them toward a common goal, Coach Guyer was able to steer this year's swimming teams toward victory. The last meet of the season, a win over Southwestern, marked the eighty-first consecutive league victory for both the girls' and the boys' teams. On February 19, the girls placed sixth and the boys placed fifth at the District-Three Meet. Though there were many noteworthy members of this year's team, Chris Eastman deserves special recognition. Chris, a two-time All-American, holds the District-Three record in the 100 backstroke. According to Coach Guyer, by being a family and sharing the stress and the work, the 1982-83 swim team was able to succeed.

Wrestling Enthusiasm Grows

The 1982-1983 Varsity Wrestling team, under the guidance of Coach Terry Geier, experienced a season of improvement in several ways. First, the Trojan grapplers faced only one forfeit this year, unlike previous years in which they were forced to forfeit up to six bouts per match. Coach Geier was pleased with the number of students who participated this season and also with the determination displayed by each wrestler. The second improvement was in the number of wrestlers who will be returning next year. When commenting on the team's performance this past season, Coach Geier singled out the match against York High as the most exciting. In this match, the Trojans lost by a score of 30-29. Wrestling standouts for the season were the Banks brothers, Mark and Phil. Both placed in the Columbia Tournament and had excellent individual records for the year. Mark Shaffer was also commended for his impressive record.

"Fantastic" Fantasizes Audience

"Captain Fantastic," the Junior Class Play last spring, was thoroughly enjoyable. The director, Mrs. Schaszberger, felt that the play was a terrific success, and she described the cast as being one of the most cooperative groups she has ever worked with. The play is about a student, played by Mark Mummert, who is an avid comic book reader. In order to defeat the evil-doers of the world, he and a bunch of his friends become the cartoon characters. The comedy of the play kept the audience captivated and it was a definite success.

Applause Wins Approval

Last year's musical, "Applause" was a complete success. It was directed by Mr. Lajkowicz and the pit was conducted by John Schmidt. On Friday, April 30 and Saturday, May 1, 1982, this 1970 Tony Award Winner for "Best Musical" was performed in our auditorium. According to Mr. Lajkowicz, "York Suburban was the first high school in this area of Pennsylvania to do this show due to the maturity of the subject matter." Barb Sacra played Margo Channing, an actress who struggles between her need for applause and her need for marriage to her director, Bill Sampson, portrayed by Fred Lampe. Sue Prendergast portrayed "the sweet innocent with the insides of cold calculating steel." Sue was Eve Harrington who worked to steal Margo's fame and glory. Mark Mummert, who portrayed Dwain Fox, got more of Mr. Lajkowicz's praise for "fearlessly portraying a character that would have scared most high school boys." "Applause" proved to be a very entertaining play and received apt praise from all sources.

Barb Sacra, as Margo, shares a romantic moment with Fred Lampe, as Bill.

Elections Mark New Era

As a result of last year's elections, this year's Student Council is led by Mike Snell, President; Mike Schwartz, Vice-President; and Sue Fitzgerald, Secretary. Bursting with new ideas, Mike gained the majority of the votes. Some of his ideas included the opening of a school store, holding of more dances, and the creation of a Student Council Day. The school store has now become a reality, supplying students with a convenient location and a variety of merchandise.

Double Billing Prove Successful for Drama Club

This year's drama club production consisted of two separate plays. Performed first was "Cemeteries are a Grave Matter," secondly, "Enter Pharoah Nusbaum." Performances were given on October 28 and October 30. The casts were under the direction of Mrs. Shaszberger and student director Sue Prendergast. The production two short plays during one night was extremely well received by the audience. Congratulations to all those involved.

Senior Class Performs Drama

The "Crucible" by Arthur Miller was a dramatic play presented by the senior class. All of the actors did a superb job under the direction of Mrs. Schaszberger. The production was full of suspense that captured the attention of the audience, forcing them to become emotionally involved. This dramatic play provided a perfect ending to an untarnished history of performances by the senior class.

Homecoming Portrays "The Best of Times"

In the midst of unusually warm weather, the 1982 Homecoming festivities got off to a shining start! Keeping with tradition of York Suburban, the senior class elected the Homecoming Court. The seniors chose Tina Barton, Louise Detwiler, Steph Euculano, Sue Fitzgerald, and Barb Zurenko to represent the class of 1983. Unfortunately, also keeping with tradition, the rain came to damper the bonfire, but the spirit of the crowd could not be extinguished. Steph Euculano was crowned Homecoming Queen during the pregame activities. The sophomores were victorious in the float competition with the winning theme of "Nail the Hawks." The football team's victory over Hanover completed the day's activities on a positive note, and helped to make the dance that evening a complete success. As the band *Centaur* played the theme song, everyone realized that indeed, "These are the Best of Times."

Everyone gets fired up for the Homecoming game.

The 1983 Profile is a book filled with memories. We have put many long hours into this book and are very proud of it. We hope that you like the changes that we have made. We feel that this book is a fitting reminder of the past year. We tried to capture both the thrill of victory and the sadness of defeat, as we have all cheered on our fellow students. We would like to thank every member of the yearbook staff for their dedication and devotion in making this the best book possible. We would especially like to thank Mrs. Kathy Carbaugh, our advisor. She is our backbone, who receives very little credit for the enormous amount of time and effort that she gives. We hope that in the years to come, you will look back in your 1983 Profile and remember the great times at York Suburban.

The 1983 Profile is a book filled with memories. We have put many long hours into this book and are very proud of it. We hope that you like the changes that we have made. We feel that this book is a fitting reminder of the past year. We tried to capture both the thrill of victory and the sadness of defeat, as we have all cheered on our fellow students. We would like to thank every member of the yearbook staff for their dedication and devotion in making this the best book possible. We would especially like to thank Mrs. Kathy Carbaugh, our advisor. She is our backbone, who receives very little credit for the enormous amount of time and effort that she gives. We hope that in the years to come, you will look back in your 1983 Profile and remember the great times at York Suburban.
